When a purchase is made through the internet, by telephone or in a manner similar thereto, the Cardholder will be deemed to have agreed to the payment by having provided the Professional Card details allowing the payment transaction to be performed, and, if requested, by entering a (3D Secure) password, SMS Code or approve of the transaction in the ICS Business App using Biometrics or the Access Code. If ICS has issued a new Card ICS can inform merchants that have joined Automatic Billing Updater about the new Card details.

10.2. Accepting the payment implies that the amount in question will be charged to the Professional Card. It is not possible to cancel payments, cash withdrawals and payment orders once the transaction has been authorized.

10.3. In case the Professional Card is provided with NFC, the Professional Card may be used for making contactless payments to Merchants that have a Contactless payment terminal at their disposal. 10.4. ICS does not guarantee the permanent, uninterrupted use of the Professional Card. The use of the Professional Card after all is dependent on a great number of external factors, such as the collaboration of Merchants and the performance of computer or telecommunication systems operated by us or by third parties. Moreover, the balance of the Professional Card may be inadequate and cash withdrawals may be limited to a maximum amount per day. ICS shall not be liable for the inability to make use of the Professional Card at all, in time or in full.

11.2. If there is a positive balance on the Professional Card the Cardholder may spend the spending limit plus the positive balance. The maximum positive balance the Cardholder is allowed to have is € 2,500,000.

Article 12. Foreign currency, transaction fees and other charges

12.1. Payments and cash withdrawals in foreign currency are converted into euros on the basis of the Exchange rate on the date on which the payment or the cash withdrawal is processed by ICS. A surcharge applies of 2,5% Processing depends on the time the payment or cash withdrawal has been communicated to us. ICS may change the Exchange rate with immediate effect and without prior notification. Information about the applicable Exchange Rate can be viewed at www.abnamro.icsbusiness.nl/wisselkoersen ICS does not send separate electronic messages regarding currency exchange transactions performed by ICS or the Exchange rate used.

If there is a positive balance on the Professional Card and the withdrawal is made entirely out of the positive balance 1% on the amount withdrawn will be charged, with a maximum of € 1.50. If the amount drawn exceeds the positive balance 4% will be charged on the amount that exceeds the positive balance, with a minimum of € 4.50. The account statement also specifies the outstanding balance for that month.

13.2. If the outstanding balance is paid by way of direct debit, the account statement will also specify the date on which the bankaccount of the Cardholder will be debited for the amount in question, which transaction will take place within 14 days from the date mentioned on the account statement.

13.3. The Cardholder must immediately check the account statement received or placed in Mijn ICS Business, or in any case within 30 days from the account statement date. All transactions and payments may also be viewed in the ICS Business App.

13.4. After a period of 2 months from the date of the account statement the contents of those account statements will be deemed to have been approved by the Cardholder, without prejudice to the right to dispute such amounts as stated in article 15. ICS may rectify any mistakes, or calculation mistakes, after this period.

13.5. If the Cardholder require any additional account statement or information, ICS may charge a fee for this. The Cardholder will be informed in advance what that charge will be.

Article 14. Payment to ICS

14.1. The account statement details the outstanding balance of the Professional Card that has to be repaid to ICS by the Cardholder. Debiting of the bankaccount will take place within 14 days from the date of the account statement. If no direct debit authorization has been issued, the Cardholder is obliged to repay the outstanding balance to ICS within 21 days from the date of the account statement unless agreed otherwise.

14.2. The interest is calculated on a daily basis. Depending on the number of days in a month, the interest amount may therefore vary per month. The interest equals the statutory interest for non-commercial transactions (which may be found on wetten.overheid.nl by entering the search 'Besluit wettelijke rente' (Statutory Interest Decree)) plus the maximum number of percentage points as contained in section 4 of 'Besluit Kredietvergoeding' (Lending Rate Decree). This Decree may be found on the site wetten.overheid.nl. When interest is charged, the interest rate will be mentioned on the account statement. ICS may charge a lower interest rate.

14.3. ICS charges interest on a monthly basis. The interest amount is a separate item on the account statement but forms part of the outstanding balance.

14.4. ICS will not charge any interest if the outstanding balance given on an account statement is repaid in full within 21 days from the date mentioned on the account statement or if agreed otherwise. In that case the interest is waived. To qualify for such a waiver, each time the full outstanding balance given on an account statement must be repaid.

14.5. If the full outstanding balance given on an account statement is not repaid, interest will be charged on the full outstanding balance of that account statement, also on the part that was repaid within 21 days. In addition, interest will be charged immediately on all subsequent amounts charged to the Professional Card. This interest cannot be waived. There will be a re-qualification for a waiver if the full outstanding balance of a subsequent account statement is repaid within 21 days again.

14.6. If the full outstanding balance given on an account statement isn't repaid within 21 days from the date of the account statement, ICS is entitled to block the Professional Card.

14.7. If the full outstanding balance given on an account statement isn't repaid within 21 days from the date mentioned on the account statement an additional fee of € 5 will be owed by the Cardholder.

14.8. Amounts received will be used to pay firstly interest and costs, and secondly the principal amount due.

14.9. ICS may change the interest rate with immediate effect. The Cardholder will be notified when this change takes effect.

14.10. If ICS decides to take action in order to recover a debt, all related costs will be charged to the Cardholder. The costs are set at 15% on the total amount due, with a minimum of € 45. If the loss suffered by ICS is more than 15% of the total amount due, ICS will be entitled also to recover the excess amount.

Article 15. Disputed payments

15.1. If the Cardholder disagrees with any amount on the account statement, they may dispute this amount. ICS must be informed of any disputed amounts in writing at the earliest possible moment after receipt of the account statement, by means of a notification stating the full and substantiated reasons for disputing the amounts concerned. A Merchant not having performed its obligations towards the Cardholder, for example by supplying defective goods or services, does not constitute a reason for disputing an amount. Amounts cannot be disputed either as a result of the Professional Card having been stolen or lost or in the case of improper use having been made of the Professional Card. Those cases are governed by the provisions of article 6.

15.2. If sufficiently reasoned and substantiated arguments for disputing an amount have been stated within 14 days from the date of the account statement, the amount in question will at once be credited to the Professional Card, under the reservation that the amount in question will be charged to the Professional Card once again, if it should prove to have been wrongly disputed. No amounts are credited to the Professional Card if, in the view of ICS, there is no reasonable chance of the challenge being successful.

15.3. If ICS should require more information or documentation, such a request must have been complied with within 10 days at the latest.

15.4. Failing to comply with any of your obligations under this article will result in the loss of your right to dispute any amounts.

Article 16. Other payment service providers
